

NuVo Introduces Color Touch Pad.

The new Color Touch Pad provides the most user-friendly **full system control**, from a sleek, easy-to-navigate touch screen.

Give thumbs-up to the current Pandora song. Search your entire library of personal music from the networked Music Port Server. Enjoy access to over 100,000 Internet Radio Stations with metadata from RadioTime. Manage an entire house of music from one central location.

Featuring

- 3.6" Full color display
- Source-specific control options
- Full display for the Music Port Server, including album art and personal channel build
- IR pass through
- Zone to zone control
- Four hard buttons for commonly used functions
- No programming necessary

Color Touch Pad.
